

ROBOWASH

AUTOMATIC CLEANING SYSTEM

ROBOWASH SERVICE AND MAINTENANCE PACKAGE

In addition to a machine that uses only non-toxic, biodegradable cleaning agent and hot water to clean parts, Robowash offers a total service package that includes the convenience of full parts cleaning and the Robowash total service and maintenance package.

ROBOWASH® SERVICE PACKAGE

- Workshop assessment
- State-of-the-art equipment
- Process specific chemistries
- Waste removal and treatment to Controlled Waste regulations
- On-going operator training

ROBOWASH® MAINTENANCE PACKAGE

- Preventative maintenance programme
 - Basket hub exchange
 - Water filter exchange
 - Sensor exchange
- Call out breakdown repairs

ROBOWASH TECHNICAL SUPPORT

- 24 hour service and breakdown hotline

AUTOMATED CLEANING SYSTEM ACCESSORIES

- Robowash cleaning agent (5kg, 25kg and 210kg)
- Parts baskets (rectangular, cylindrical, made to order)
